Good Afternoon,

Here are a few updates regarding our transition to the Dynamic Learning Maps (DLM) assessment:

- The [letter from Keystone Assessment](#), our new training provider for DLM is being posted on this website. Training will be done this year via webinar but we hope to set up face-to-face training before next year's test. Keystone will be answering questions regarding certification to administer the test, as well as questions you have during administration of the DLM testing.
- If you need assistance in signing up District Coordinators or uploading students, etc., please send messages and questions to the NH DLM helpdesk: [NH-DLM-Helpdesk@doe.nh.gov](mailto:NH-DLM-Helpdesk@doe.nh.gov).
- Also, you will find a notice about future webinars on this website. To receive updated information regarding registering students, please see i4see tips at: [http://www.education.nh.gov/data/i4see\\_tip.htm](http://www.education.nh.gov/data/i4see_tip.htm). Please do not upload your students directly into the KITE portal. Due to student privacy laws, the students must be uploaded to i4see, given assessment ids, and then i4see will upload the roster to the KITE portal.
- The testing window for DLM is from March 30<sup>th</sup> to May 15<sup>th</sup>.

We're getting information out to you as soon as possible but we ask that you please contact us with your questions.

Thank you,

*Susan*
